# Like Satanism, Pimping IS Easy for Sexual Snakes, Diabolic Slavers, & Predators of Children

Written by Jonathan C. G.

Virtually every government, every corporation, every institution, every organization, the entirety of the dominant culture and society, and all its sublets and subcontracted and privatized appendages, has been essentially and effectively compromised. This is a slave and murder cult system. The world is a conglomerated octopus, or hydra if you like. Freedom exists in the individual mind, and even then, only sparingly and intermittently and gruelingly. And there is always a price that is exacted for anything that the individual perceives as himself engaging in his free will and taking his liberty to pursue some self-governing aim that is ordinary, noble or otherwise. It is left to the individual---forcibly isolated and imprisoned within a cybernetic containment field and imposed matrix that induces psychosomatic states, that is, a high-tech gulag that controls, which quite often means destroys or more aptly murders every aspect of the targeted individual soul's existence, yet surrounded by tens of thousands of hostile aliens, foreigners, and strangers on all sides that are more cyborg, more automaton, more alien, more insectoid-like than human beings in that they are collectivized to the one, insectoid-like, reptilian-like predatorial, parasitical hive mind---to endure this most miserable, agonizing, and tortured existence.

Such is not hyperbole, or the fancy of an overdramatic imagination of an attention seeker. Such is not delusional thinking, or "crazy" talk from an unqualified individual. Such is quite literally the reality. Of course, it is by artificial intelligent design, and the intent by the progenitors of this dystopia is insidious. The only actual good that is left in this world, is a reflection of the remnant of the light that shines within the rare individual man. And yes, that means woman too. A minority of a minority of a minority. Yet, the perpetrators of all manner of crimes against him[er], including stalking and harassment, lie and claim they are minorities and victims when in fact they are the majority and criminal perpetrators---they are the protected criminal and terrorist class that is sponsored by the conglomerated government, corporate, and media empire, to operate with immunity and impunity. Left to their own devices, these rape stars and murder all-stars, be they Jew, Hispanic, or black, or other, can neither say nor do anything that is good, beneficial, or a positive influence on the life of the remnant general individual population they subvert, corrupt, misappropriate, enslave, terrorize, and murder. The individual sees the organized thuggish mob,

and its group think, for what it is. Lawless. And so, h[sh]e responds accordingly. With the pen and with the sword.

Mediocrity, inferiority, and idiocy abound among those, that is empirically the majority of the mainstream and "alternative" conformist general population, that impotently wish to project themselves as sophisticated, even in their thuggery and organized criminal actions, and as somehow superior. Their hatred of us, I believe, stems from their inferiority complex. They are inferior beings. Why else would it take an entire hive-minded world to wage war against a single individual? They must, at some primitive level, or at the apex of their consciousness, know that they are inferior, and thus, even in their world chock-full of standardized and normalized evil, criminality, and insanity, in their "supremacy" of perpetrating murderous force against defenseless, or weaker, victims they must feel better about themselves. Thus, it bugs them, when we do not find them tolerable. They won't admit that, but in some way, they are so insecure, that they demand our acceptance of them. This is totally insane. I do not wish to be misunderstood here. Make no mistake. Sympathy is as alien to them as rape is alien to us, and rape is as common to them as sympathy is amongst us. Empathy? By George, one might as well seek empathy from hydras. That they derive pleasure from inflicting pain and destruction upon those that are unable to defend themselves, or are weaker than they are, socially, politically, or physically, is indicative of their demonic nature and state.

Apologists will lie and say that demons are not inherently evil. This is new age disinformation babble. This is the same type of nonsense about UFOs being a benign phenomenon. It should be noted, as obvious as it is, that this is not an exclusively spiritual war that is being waged against us. How is one to solely combat a multi-dimensional physical-mental-spiritual hazard with only a spiritual solution, insofar as they are spiritually equipped and are able to effectively engage in spiritual warfare, and hope to be effective?

Why does organized religion seem to be conducive to the establishment, when the establishment has effectively destroyed religion insofar as religion attends to and attains spiritual emancipation and ascendancy, cosmic and eternal, which of course inevitably will, or should, produce beneficial results regarding physical matter in the material realm---such as a life for children whereby they are allowed to be children and they are able to live without fear of being molested in any way? In point of fact, the powers that are ruling the earth, have prevailed against the earthly Christian Church and Religion, as they have prevailed, in matter, form, and substance, against Marriage and the family. All three highly natural and supernatural, and civilized and supreme institutions are a remnant, a poor shadow of their former Medieval, and pre-industrial glory. That is putting it mildly. They are made into the most horrid perverse mockeries of what they are meant and supposed to be.

It should be mentioned that inherently, as separate institutions, marriage, family, Church and religion, and government, are not of themselves bad or evil, nor have the gates of hell prevailed against these normal and natural and desirable institutions per se. Because one husband is an adulterer, or even were most husband's adulterers, the institution of marriage would still remain inviolable and impeachable. Marriage is still sacred, is still a holy sacrament, notwithstanding all the sins, violations, mockeries, attacks, against, and coopting's of, that Godly institution. Degeneracy is replete. The entire dominant society and culture is predicated on corruption and degeneracy. The divorce rate is reportedly over 50%. The drug overdose rate, especially among young whites is off the charts. The suicide rate, especially among whites is astronomical.

Incidentally, we endure in an antichrist world where a married "gentile" couple is raising a Jewish child as if their own, and a married Jewish pair is raising a "gentile" child as their own. Whatever sort of contractual arrangement and nondisclosure agreement solidifies this we can only speculate about. There are homosexual men, whose unions are "legal" in the eyes of the government, that are raising children. The reports of child abuse, neglect, and worse, within the Child Protective Services has been documented, to my knowledge, for at least the past several years. There are reports of children literally being taken, that is, kidnapped, abducted, by the United States Government, by Child Protective Services, from their living mother, and, or father, the biological and living parent(s) having done nothing wrong to their children, and placed in homes with hostile strangers where a sexually abusive environment is the norm. In other words, these children have essentially been stolen from their parents and trafficked into sexual slavery by Child Protective Services under the United States Government. This was reported specifically under the eight-year illegitimate Obama reign. One such case happened in Arizona.

"The Department of Child Safety, formerly Child Protective Services, removed Jane Doe[white infant] from her biological mother's home in 2013, when she was 2, and placed her with David[Jew] and Barbara Frodsham, a state-licensed foster home, according to the June 16 lawsuit. The state allowed Jane to stay with the Frodshams for 18 months, despite her biological mother's complaints of 'Jane Doe's repeated documented urinary tract infections,' the complaint states. 'Instead of investigating Jane Doe's biological mother's concerns of abuse, [DCS] and the defendant caseworkers accused her of making false and exaggerated reports to DCS,' according to the complaint."[1]

So in other words, the state of Arizona, the Department of Child Safety, under whatever satanic administration they were operating, took a white infant away

[1] Allie Weintraub. (2017, June 27). *Horrible Child Abuse Blamed on Arizona Agencies* Retrieved 26 October 2019, from Courthouse News Service: https://www.courthousenews.com/horrible-child-abuse-blamed-arizona-agencies/

from her mother, placed the child into the residence of a Jew who, along with his presumably Jewess wife were operating a child sex slavery and pornography ring out of their residence in Arizona, for 18 months, and the state of Arizona, and DCS, and defendant caseworkers, were obstructing justice, by accusing the biological living mother of the child being abused, "of making false and exaggerated reports to DCS." Each accusation of which amounts to obstruction of justice, an extremely serious crime in and of itself. Whoever, whatever individual(s) and group(s) made those criminal accusations against the actual mother of Jane Doe should be investigated, charged with obstruction of justice, and prosecuted to the fullest extent of the law.

As if that wasn't criminal enough, only when the Jew Frodshams (Fraud-shams) was busted after driving drunk and appearing to collect his foster care check, did the state of Arizona, the DCS take the child and put her into the residence of, apparently crypto or otherwise, another Jew, despite the reported warning of the woman's brother-in-law advising against certifying her as okay to adopt a child. This likely Jewess proceeded to physically hold the child in scolding hot water which led to third degree burns over 80% of the child's body.

"A doctor interviewed in the report said she was in organ failure due to extreme heat. Her major veins were clotted and her body was unresponsive to re-hydration — all of which were indications she had been left for five hours without treatment, the doctor wrote."[2]

So, the child was repeatedly tortured, raped, and permanently maimed for the rest of her life. Perhaps holding the child down in scalding bath water was an act of revenge for the break-up of the Jewish child torture-sex slavery-prostitution racket Frodshams was operating out of his residence in the state of Arizona. Oh yea, and apparently that guy worked for the U.S. Department of Defense for years. It is not clear if he holds dual Israeli and American citizenship. Incidentally, there is very valid reason why anti-Semitism occurred throughout Christendom and actual witches were burned in the Middle Ages.

There has been the decades-long epidemic of child abuse and child sex crimes within the Roman Catholic Church, with hundreds, thousands, of pedophile priests being protected by the Vatican at the highest levels of authority. Incidentally, since the end of World War II, and since the revolution of Vatican II, Jews have poured into the Roman Catholic Church, therefore, one might adduce that there is a correlation between the prevalence of sexual abuse, trafficking, and slavery of children, particularly non-Jewish white children, within the Roman Catholic Church, and the significant influx of Jews within the

Roman Catholic Church since the end of World War II. Furthermore, the purported Vicar of Christ is purportedly a crypto-Jew, namely, Jorge Mario Bergoglio. Incidentally, arguably, the Jesuits were not always the corrupt religious order it is reported to be today. Again, one might honestly say that the corruption of the Jesuits is not accidental and that it is correlative to ill-gotten international Jewish power, hegemony, and supremacy.

There are cases of black males, murdering white women, because the white women were pregnant with white babies. There are cases of black males, forcing white women to have abortions, when it is found out that they are pregnant with white babies. There are cases of black males, who force white women to have their babies. All three cases are deemed, in the unspoken code, to be politically "correct" and thus acceptable to the social norms.

Speaking of political "correctness", which of course implies and encompasses social "correctness", here's something a sophisticated intelligent sentient lifeform from outer space would find absolutely appalling and outrageous. The white cheerleaders of the NFL, and the mixed white and Jewish cheerleaders, are essentially the sex slaves of the black NFL players. American football, not to be confused with actual football, which is European, which Americans call soccer, is misnamed. *Tackleball* would be a more accurate name. At any rate, the cuckoldry and jingoism that enshrouds the NFL is like an opiate for the masses. What white heterosexual man, in their right mind, would want to watch televised sport of a bunch of low IQ, dog abusing, murderously violent blacks slamming into and tackling each other to the ground, whilst the attractive white cheerleaders for each team, whom are essentially sexual slaves of the harem for each team, cheer them on? This is mass psychosis as it is mass cuckoldry. That is not masculine at all. That is more feminine than the liberal "feminists" who apologize for the Jewish sexual predator, the condemned Hollywood mogul boss Harvey Weinstein! But the problem, if ever there was one at all, was when the blacks started kneeling during the national anthem, because, by golly, that was plain un-American. Stupefying.

Incidentally, because so many people can memorize and recall the statistics of these juiced and disgustingly worshipped athletes and their teams, it stands to reason that regarding the targeted individual, many people involved in the organized targeting, stalking, and harassment, are able to memorize personal details about the individual's life, details they should not know at all, that they can use in some way to project back, say, in a directed verbal conversation, to the individual, with the intent to cause further harm to the individual. This is a form of the frenzied, obsessive, and devilish sociological perspective and psychological harassment and attack by the group against the individual. It is more subtle then bullying, but like bullying, it is not sophisticated at all.

Over the years I have noticed that a pattern has emerged whereby the perpetrators will speak in second, third, or fourth person, or speak as to the opposite sex. For example, proximate to the targeted individual man, to whom the directed dialogue is meant, a perpetrator might say to another perpetrator, "She is stupid. Does she actually think anybody cares?" Or, alternatively, the perpetrator might say, "I am so stupid. I can't believe I thought anybody would care." Or, the perpetrator might say, "Jane Doe is so stupid. Why does she think anybody cares?" So, in effect, what the perpetrator is saying, to the target, by proxy, through the other perpetrator is, to the effect: "You are stupid. Do you actually think we care?" This is what is known as "street theater", or "directed conversation", that is, two or more people, or one person on their cell phone, having a conversation that is directed at you, the target. This is a form of "gangstalking", the overall criminal conspiracy of which encompasses multitudinous crimes, prosecutorial and punishable up to and including death, by multiples of multiple perpetrators over the course of many years and decades throughout the course of the targeted individual's life. This is merely a hypothetical example to illustrate the intense and severe impact on a targeted souls psyche, especially over the course of many years. Linguistics plays no minor role in the audible verbal, emotional, and psychological targeting and harassment of the individual by the collective, hive-mind, dominant group. If the targeted individual is unaware of what is taking place, these two perpetrators could have an entire conversation, in front of and within hearing range of the targeted individual, in plain English, about the targeted individual, and the person would not know that they were being talked about or what was being said about them. This might be a form of mind control, hypnosis, or programming. This happens all the time. In public, at work, at the store, at school, on the bus. Online. Everywhere.

There are cases of reverse celebrity stalking. That is, celebrities, and other rich and famous people, are involved in the perpetration of the criminal "gang" stalking of targeted individuals, for instance, poor, working class individuals that are targeted by the new world order types. Of course, there are some celebrities whom are subjected to state and group targeting, stalking, and harassment as well. And there is an entire industry, that has made stalking by method of "paparazzi", and the selling of photos and phone recordings, and so forth, "legal" under kosher "law". There are cases of Hollywood female actors used in internet pornography, including live streaming in sex cam shows. Beyond a reasonable doubt, in many of these cases, if not most of these cases, the women, some of them very famous and apparently very wealthy, are involved against their will. In other words, they are victims of sex trafficking and slavery. They have to smile, and laugh, and are probably plied with drugs, including alcohol, and act like they're having a good time, but it's all mock show. A ruse. In some cases their children are also involved along with the mothers.

There are some cases where digital morphing technology is utilized to produce the image of a famous female celebrity, for the purpose of generating pornography, but it appears that these pornographers are two-bit hustlers, small fry pimps. Pimping is easy, it actually turns out. You just gotta be a Jew, or black, or a freemason. An initiate, a member of the club, of the tribe. Down with satanism.

The casting couch is only a part of the infamous Hollywood scandal. Making children, boys and girls, and women having sex and perform sexual acts in order to "get the part" in a big movie or TV production is evil enough. There have been films made, where in certain dramatic scenes having absolutely nothing to do with sex, the actor is receiving fellatio while remaining in character and delivering his lines, as if nothing were happening. The disgusting act is not shown on camera as it is not part of the scene or the movie. Yet, nonetheless, it occurs. Why? We are talking mega blockbuster films with A-list actors, the highest marketed and paid in the industry. Incidentally, this has been reported to occur on live television broadcasts including news segments. Furthermore, there have been regional news stories that reveal the temperament of the serpents. If my memory serves correct, there was one regional news broadcast on network TV that reported that a white woman was the victim of a sexual assault by a black male. They showed a sketch artist's rendition of the suspect, that, it was reported, police are still seeking information about and looking for. The network then proceeded to have a "news anchor", an actor, whom just so happened to be black, and whom just so happened to match the description of the suspected rapist in the sketch artist's rendition that the police were looking for, interview the victim of the sexual assault for the camera.

Child actor and star Corey Feldman has provided witness testimony that is damning to Hollywood.

"I can tell you that the No. 1 problem in Hollywood was and is and always will be pedophilia. That's the biggest problem for children in this industry. ... It's the big secret," Mr. Feldman informed.[3]

Actress Rose McGowen has publicly stood up to some of the most powerful sexual predators of the world, their apologists, and their protectors, particularly Harvey Weinstein, the Jewish Hollywood mogul accused of raping multiple women on a number of occasions.

"I knew that Hillary Clinton's people, were protecting the Monster. I can't believe I used to support her. I guess predators are her style."[4]

It is important to note here that there is controlled "opposition". That there are CIA, and by extension Mossad (Israeli Intelligence), MI5 and MI6 (British Intelligence), Saudi Arabian Intelligence, Pakistani Intelligence, and so forth, front covers and organizations is well known. For instance, the CIA will use Hollywood celebrity assets, operatives and agent provocateurs, to run a child sex trafficking 501c3 nonprofit organization, specifically to cover up for child sex trafficking and slavery and satanic ritual abuse and murder, and to control any efforts at exposing such crimes and evils, and to control any efforts to help the victims of such crimes and evils. Moreover, there are scripted, staged, produced, and broadcast red flag events and false flag attacks, the former where no one is murdered or injured, the latter where innocent civilians are actually injured and murdered, with the complicity of the news media, with crisis actors laughing, crying crocodile tears, and delivering their scripted lines, and fake and fraudulent "victim" funds setup to, steal money from actual human being with the real capacity to have a heart and experience empathy, and to legitimate the red flag event or false flag attack.

The connection of New York, Washington D.C., and Hollywood California, and the correlation---specifically to the domestic, and international criminal child abduction, trafficking, sexual slavery, pornography, and satanic ritual torture and murder syndicated cabal---is glaring. New York provides the money and speculation, Hollywood provides the media and thus society and culture, and Washington D.C. provides the political capital, yet each hub is interconnected and integrated.

"Pizzagate represents only a single American franchise within a global child trafficking and exploitation operation known as Pedogate…That Hillary Clinton and Barack Obama and John Podesta are at the epicenter of this 'Scandal of the Millennium' makes it all the more shocking and hard for many to believe."[5]

It is important to note, that *Marvel Studios*, owned by *Disney*, decided to make reptilian shapeshifters and reptilian shape shifting mainstream. This at least partially has to do with the so-called predictive programming, mind control, behavioral conditioning. Anything that is criminal conspiracy, that has been produced and broadcast by Hollywood in movie entertainment format, offers a level of plausible deniability. Even though this is a total farce, if, for instance, there's some weird homeless guy that claims that helicopters are stalking him

by flying and buzzing overhead regularly throughout the day, every day, and possibly blasting him with remote directed energy weapons, and that reptilians are starring in feature length Hollywood movies, the sociopathic society and psychopathic culture can say that the guy is mentally "ill". Incidentally, it says more about the society and culture---whose answer to mental illness, most if not all of which they have essentially and effectively induced, is to drug the "patient" with pharmaceutical drugs, indefinitely, which essentially equates to a chemical lobotomy---then the individual and his supposed mental "illness".

It is not an inevitability, it is not an act of natural evolution, it is not natural, that the earths streams, rivers, and water byways, should resemble a clogged toilet bowl of shitty water. Those that are responsible for the problems are always those that decry the cost of applying a solution to them. Or are those that are the first and loudest to blame their victims.

When one walks into a supermarket, virtually every single item for sale on the shelves is owned, produced, and manufactured, by some six conglomerated corporations. Curiously enough, most of the processed foods, or what passes as food, and beverages contain a Kosher Food Certification label. When one watches television, watches a movie, listens to the radio, reads a magazine or newspaper in hardcopy or online format, all such content is owned, produced, and manufactured by some six conglomerated corporations. Curiously enough, most of the information, data, news media and entertainment, including the so-called "alternative" niche industries, falls under the umbrage of Jewish Zionist ownership and control. The oil and gas corporations are conglomerated in the same way. The banking industries and financial markets are run by the Jews. The school system has an agenda that is not conducive to the mental or spiritual vitality of the students that are compelled to attend the dictates of liberals who defend pedophiles and child pornographers with the, "poor souls, they are mentally ill, ya know." So…it's not their fault? Blame some abstract, nonexistent cognitive "illness", that you arbitrarily concocted, that made them do those horrible things to all those children, but whatever the case, do not make the perpetrators take responsibility and forcibly bring them to justice. They take everything but responsibility for their evil actions. Virtually every industry, every sector of society, every element of the dominant culture, is conglomerated, integrated. A so-called autonomous "traditional" Roman Catholic monastery in liberal Ireland, is merely one more house or protuberance of and for the Jews. It is for them and their family and whatever purposes they might or might not have, openly saintly or covertly diabolic as they are. But the cannibalizing spirit of darkness is the same.

The global Cheka, the international secret combined military-intelligence-civilian police, or the "deep" satanic state if you like, has access to anyplace, anything, and anybody, at any time, for any reason. It is important for the

owners, rulers, operators, and minions, to have access to anyone, so that they can activate anyone, on demand, on command.

Perhaps that is a fundamental reason why the Jewish Zionist occupied United States Government decided to murder 76, apparently white Christians, including 20 children and 2 pregnant women, during the Waco Texas massacre of 1993. Whatever lies and fraudulent pretexts the Jewish corporate media declared, whatever lies and fraudulent pretexts the official story and narrative contains, imagine how perplexing and horrible it must have been, for the new world order criminal terrorist cabal, that some six dozen, apparently, white Christians, were existing in a way that was autonomous from the tyranny of Jewish American culture and society. Just imagine, an actual community of white people, Christians no less, banded together, as if they were in National Socialist Germany or Fascist Italy or Romania. Probably keeping a 24-hour guard, in shifts, to ensure that none of their members were molested by any unwanted visitors or intruders at any time. Self-defense being their eminent and inalienable right, as well as the essential tenant to any minor, autonomous community of a peoples organized by the commonality of both race and religion. This could not be allowed. Those "Branch Davidians", especially the children, needed to be accessed, at any time, by anyone, for any reason, by the world, multi-cultural, multi-racial (to include child abductions, torture, rape, sexual slavery, ritual murder) government. The United Nations is an enormous vehicle from and by which to drive this satanic kingdom.

So-called "gangstalking", is both directly and directed interrelated to the domestic and international abduction, exploitation, trafficking, sexual slavery, and murder of children. The infrastructure is in place, embedded within the entire psycho-cybernetic matrix. The remote, hidden technologies, and the in-person organized harassment by groups and the community writ large against the targeted individual is a clear and present reality. There are networks within networks within networks. Hubs within hubs within hubs. Overlap is par for the course. There is what I call, the "lag effect". With the intrusive and invasive monitoring, there is intrusive and invasive crowding and synchronicity by the mob. And they are a mob. Perhaps a smart mob, yet their technological enhancements, gizmos, gadgets, smart phone apps and tiered handlers and operators do not make them sophisticated at all. It is still an organized criminal mob of people that are ganging up on one individual.

"Often, the local network of this mob is connected to a national and international network - funding is done by illicit drug industry/crime syndicates, CRIMINALS working in:coroporate envioronment, and government sponsored terrorism for military weapons research using unconsenting human medical research testing linked to teaching/research hospitals. Practically all work environments and local communities have been compromised and set-up as a

super domestic terrorism predator for mob antics- in every form of business, the government, and even police and fire departments and intelligence agencies. All of those entities have been reportedly ,on the internet and by victims accounts , to have been infiltrated with SOME of these numerous criminals willing to do this crime for money, greed, revenge, politics,war on the poor and disabled, psychological warfare and Direct Energy Weapons testing/research for contractors of phsychotronic equipment, and mind control operations. No place is immune from these criminal dirty birds, not even hospitals or police stations. These weapons, which omit various forms of Electromagnetic Frequency(EMF or RF:radio frequency), and other tactics are meant to mimic natural illness, and mental illness."[6]

In the post-modern, cybernetic digital era, gangstalking "…has been perfected over intervening decades by groups who believe they have the right to enforce their particular rules on the rest of us. Gang stalking has developed into an extremely well designed set of harassment methods which can totally destroy the lives of gang stalking targets, while appearing to those around the target as simply the 'normal breaks' of life."[7]

That is part of the entire system and the infrastructure in place. Hidden in plain sight. It is a cleverly orchestrated façade that it's only bad luck, poor life choices on the part of the individual, and rude behavior from some nasty people. It is insidious and criminal thru and thru, and by and by. And those that are apologists, and those that are involved in perpetrating these countless crimes, will ultimately be investigated and prosecuted to the fullest extent of the law.

"Let me say at this point that this booklet is written to introduce the general public, and public officials, to an old crime, 'ganging up' on someone, which has been 'improved' to the point where targets not only cannot escape it, but it can be done in ways that people around the target, who witness some of the harassing acts, will deny it is even happening…While any type of 'ganging up' is organized, the 'organized stalking' described in this booklet makes use of instant electronic communication, and through-wall electronic harassment technology, and willingness of corrupt officials to look the other way, to achieve an environment in which the target can never escape some degree of harassment… 'Organized stalking', in the current-day sense, is surveillance and harassment of a designated target by stalkers who are members of groups, which are networked."[8]

The through the wall surveillance only scathes the surface. Imaging technology is being used that is so advanced it can target the cellular structure with laser precision. This is all done silently, invisibly, and remotely. Hypothetically, one implication for this is that remote surgery might be conducted on the targeted individual while he is at his address of residence, even whilst he is sleeping at night.

"I have noted in many places that organized stalking is a secret operation waged by non-governmental organizations (meaning that sometimes, it is NOT the government, but it is NGO's and UN policy backed stalking instead), and then, working with the "communitarian policing scheme" it is in fact and practice, international billionaires using "progressive" policy initiatives, and illegal or unethical access to local databases, and offshore black operations, and then mind control and influence operations, aka propaganda, and more to target individuals who for whatever reason, stand in the way of their version of "progress."[9]

As I have mentioned previously, every organization is compromised. In my experience, as a general rule, when I am communicating one on one with another individual, that is one thing. Add another person, add, two, three, and four other people, and the more likely it is that the individual will be the victim of being "ganged" up on by the group. It is interesting to note, that the Lord Jesus Christ did not appear to favor crowds, in fact, he often evaded large groups of people. For very good reason.

"Most Americans have no idea what's going on in Europe. Our perceptions are based on 20th century information mostly concerning Europe's liberal views, socially, sexually, etc. and their working socialism model that seemed successful. People over here have not become aware of Europe under the EU-mass immigration of very negative kinds of peoples, thus having to make racism an actual crime due to the sensible and predictable reactions of European peoples."[10]

Part of our problem is the compartmentalization, and part of our problem is perceiving the world though a prism that has been intentionally engineered for us by different peoples that are, at heart, alien to us. For instance, the idea that there are not differences between the races, and that in some cases there might be irreconcilable differences to the point where the races should be kept separate, is an idea that is literally contrary to nature, natural law, observable reality, empirical science and the sound scientific standards thereof, and one's

own individual experience. There is a difference between Jewish anthropology, that is the science of anthropology with Jews at the helm and dominating the field, and that of "gentile", or white anthropology, that is the science of anthropology with whites at the helm and dominating the field. Because Jews are different from white men. In terms of race, religion, and reason.

"Go to any city, any town and any community and look for a single White Indigenous British Community Centre, a lobby group that represents the interests of the White indigenous British, a charity that looks after the interests of the white British, any professional body that represents the interests of the White British workers, any trade union, any organisation - and you will find none…Yet the moron David Cameron wants to hand public tax payers money to charities to take charge of public functions, such as housing and welfare benefits, yet not one body represents the interests of our people in the multi-cultural system and process, so we will be abandoned and betrayed at the same time as we fund the system with our taxes…The same charities that do not represent our people, have tens of thousands of charities for blacks, jews, asylum seekers, muslims and lesbians and gays…But not one for the White British working class, White British children, White British pensioners, White British disabled - whilst all the established charities will have to under the Equality Act use positive discrimination in its employment practices and the delivery of functions and thereby put the interests of ethnic minorities first - thereby institutionalising racial discrimination against British whites, the white working class, the English and the white British people."[11]

The threat of terrorism is the mark of an inferior group. Any group that must have their way by the threat, and the use of murderous force in order to terrorize the population under its reign, is inferior in that their attainment to power has been ill-gotten, and thus their claim to actual authority is illegitimate. And so, it is, they murder people they find offensive because they are an occupying power. Needless to say, a colonizing force is not inherently evil, wrong, or illegitimate. Yet, in the case of Jewish subversion, power, and supremacy, they might be the victors and to them go the spoils, and to them goes the rewriting of history to suit their agenda, yet they are the oppressors.

"And what I've found is that the perpetrators appear to belong predominantly to one particular religion; whereas the targeted individuals do not belong predominantly to that particular religion…There is a religious influence but

that's not to say these people aren't just being used as puppets by some broader interest."[12]

It would appear that the predominant perpetrators and organizers of the New World Order deep satanic state government-corporate "gang" stalking system, belong to the religion of Judaism, which is to say, to the race of the Jews. Incidentally, there are Catholic Jews and Islamic Jews be they born into such faiths and religions or be they converts of the same. However, the question as to the spiritual and religious differences, irreconcilable or not, historic or contemporary, specifically pertaining to the different races, and the implications for race relations, is well beyond the scope and purview of the discussion herein.

*"Pilate therefore went into the hall again and called Jesus and said to him: Art thou the king of the Jews? Jesus answered: Sayest thou this thing of thyself, or have others told it thee of me? Pilate answered: Am I a Jew? Thy own nation and the chief priests have delivered thee up to me. What hast thou done? Jesus answered: My kingdom is not of this world. If my kingdom were of this world, my servants would certainly strive that I should not be delivered to the Jews: but now my kingdom is not from hence. Pilate therefore said to him: Art thou a king then? Jesus answered: Thou sayest that I am a king. For this was I born, and for this came I into the world; that I should give testimony to the truth. Every one that is of the truth heareth my voice. Pilate saith to him: What is truth? And when he said this, he went out again to the Jews and saith to them: I find no cause in him. But you have a custom that I should release one unto you at the Pasch. Will you, therefore, that I release unto you the king of the Jews? Then cried they all again, saying: Not this man, but Barabbas. Now Barabbas was a robber."*
